## MEGAN J. REDMOND

---

Megan Redmond litigates and tries patent, trademark, copyright, and trade secret cases. She has significant experience with all stages of proceedings in intellectual property cases in numerous federal district courts, the International Trade Commission and the Trademark Trial and Appeal Board. Megan's litigation practice focuses on high technology, complex litigation. Her experience includes cases involving electronic medical records, telecommunications, natural language processing technology, online video game technology, medical devices, medical software, GPS technology and various other technologies.

Megan's experience in these cases includes presenting and cross examining expert and fact witnesses at both jury and bench trials, numerous expert and fact witness depositions, conducting *Markman* and/or summary judgment hearings, conducting preliminary injunction hearings, conducting procedural/discovery hearings, and conducting mediations. She also has a technical degree in Biology/Genetics and completed a thesis in the area of eye research, titled *Matrix Metalloproteinases in a Porcine Capsular Bag System*.

Megan's honors include recognition as a Rising Star from Missouri & Kansas *Super Lawyers* in 2011, 2012 and 2013; and in 2014, *KC Business* magazine named her a Rising Star. Megan is member of the American Bar Association and Kansas City Metropolitan Bar Association.

## PRESENTATIONS

---

Megan served as co-coordinator for the Ivanhoe Neighborhood Council Pro-Bono Project, which received the Missouri Bar Pro Bono Award in September 2007.

Megan served as chair of Cycling for Change, a Catholic Charities sponsored bike ride.
